- E** Lubrificante Gel. 80% reduce la fricción durante la instalacion de cables eléctricos, telefónicos, de fibra óptica y coaxial.
- I** Gel lubrificante. Riduce dell'80% l'attrito durante la posa dei cavi elettrici, telefonici, fibra ottica e coassiali.

Rapido Gel.025 (250 ml)

Rapido Gel.1 (1 lt)

Rapido Spray

- GB** Spray foam. Reduce 70% the friction effect during installation of electrical, telephone, fiber optic and coaxial cables.
- D** Gleitmittel Schaumspritze. 70% Reibungsreduzierend beim Einzug von Elektro, Telefon, Glasfaser und Koaxialkabel.
- F** Mousse Spray. 70% réduit le frottement dans l'installation de câbles électriques, téléphoniques, fibres optiques et coaxiaux.
- E** Espuma Spray. 70% reduce la fricción durante la instalacion de cables eléctricos, telefónicos, de fibra óptica y coaxial.
- I** Schiuma Spray. Riduce dell'70% l'attrito durante la posa dei cavi elettrici, telefonici, fibra ottica e coassiali.

Rapido Spray.040 (400 ml)

Easyisogel

This is a high viscosity gel which, by effect of gravity, is able to take all spaces, hollows, gaps inside the container where it is placed. It is a ready for use product, non stick, non oily, and is transparent and odourless. Thanks to its special formula, Easyisogel is inert to temperature changes, to ageing and may be reused several times. It is self-agglomerating and has remarkable isolating power.

- Self-levelling - takes all spaces inside the container
- Self-agglomerating - does not need being amalgamated
- Ready for use - does not need mixing
- Reusable - does not solidify, does not decay
- Removable - at any time, even after years
- Non-toxic - it is not hazardous for humans, animals or the environment
- Dielectric - excellent isolating power: 15 kv
- Transparent - it lets you check the condition of connections at any time
- Non stick - it does not remain and does not soil surfaces

EASYSOGEL.05

Lay one portion of Easyisogel on the bottom of the box. Perform wiring.

Fill the box well with Easyisogel, without leaving any empty spaces.

Close the box cover.
